

# REBBUR HOUSE

## SITE PLAN

Luxurious modern apartments, set in stunning, landscaped gardens and grounds, boasting mature trees. Rebbur House affords residents seclusion and privacy in the heart of a thriving village community. This handsome country home has been meticulously designed to be sympathetic to its setting, utilising traditional materials and familiar design, with a sophisticated, modern edge.

Rebbur House apartments are provided with facilities of two car parking spaces and one storage room. The modern, secure car park is situated underground and has been carefully designed for ease of access from the apartments and includes a lift. The large airy storage rooms are situated in the basement alongside the car park. Detailed plans are available on request.
